Continuation Sheet (PTOL-303)

Application No.

Continuation of 3. NOTE: The Examiner has respectfully considered the Applicant's remarks regarding the 112 rejection. Consequently, the Examiner maintains the rejection based on the premise that according to the Specification, the the said judgement device is located in the the cellular phone. Yet, in the Applicant's claim, the said judgement device is located in the entrance/exit management apparatus. Additionally, based on the amended claimed language, i.e. "so that the entrance/exit management apparatus manges an entrance/exit of the person, in the case where the wireless communication apparatus and the entrance exit management apparatus communicate by the first communication method," the Examiner will require further search an consideration.
